Come Paint en Plein Air formally Come Paint With Me celebrates 21 years as a free non-instructional program for artists who enjoy painting in an outdoor environment. After a long and engaging, viable program, the full monthly sessions will now be abbreviated allowing for artists to make additional, new choices for painting “on your own” at sites inspiring to the individual.

To introduce the 2018 Come Paint en Plein Air there will be three guided

Thursday sessions in June, July and August at Grey Towers NHS in Milford, PA. See schedule below with additional suggested free choice sites.

Please note: Participation is at artists' own risk. **NO PETS OR SMOKING ALLOWED AT LOCATIONS.** Artists meet at locations bringing their own art materials and picnic lunch. Transportation is individual. Ample parking at all locations.

Reminder: Facilities **MAY NOT** be used for clean-up of art supplies. Please make every effort to respect and preserve the areas that you visit.
